Specialists In Window Manufacture, Installation & Repairs

About us:

KHS Aluminium was established in 2006. We specialise in the manufacture and installation of high quality and durable aluminium products, i.e. windows, doors, showers etc.

We at KHS Aluminium undertake all customizing of doors and windows with a well trained professional team ready to offer a solution to all your requirements. Our team consists of fully qualified manufacturers and with over 15 years experience from the management team will ensure that all work is completed to our client's requirements and beyond their expectations.

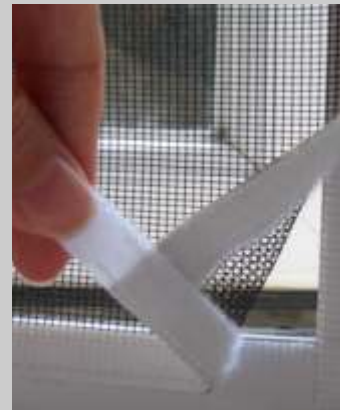

KHS Aluminium's main focus is to provide an affordable service to the commercial and residential sectors at the highest quality. We pride ourselves in offering only the best quality products, service, and workmanship to all our clients.

Products:

KHS Aluminium's windows and doors are secure and durable. Aluminium does not rust or wither unlike other window and door materials. Our high quality products hold their colour, are maintenance free and very easy to clean. We undertake all customising of windows and doors and are able to supply any dimension you may require.

We specialise in the manufacture and installation of:

- Aluminium windows (top hung and side hung)
- Galaxy sliding doors
- Vista folding doors
- All types of showers
- Elite sliding doors
- Fly screens
- Shop fronts
